We offer two types of plans to suit your needs:

<p>Plan A:</p> <p>Value Protection Plan</p> <p>The Value Protection Plan is the most economical of our protection plans for a customer who is just looking for basic furnace maintenance and/or air conditioner maintenance. For as little as \$11.99 a month, you can protect your furnace and/or air conditioner from untimely and costly breakdowns. This plan provides the necessary furnace service or air conditioner service you need to keep your energy bills at their lowest while giving you the peace of mind of safe operations and prolonging the life span of your home comfort equipment.</p> <p>*We've extended Our Value Protection for residential gas boiler and/or ductless single head and/or tankless water heater for \$14.99 a month</p> <p>Our Value Protection Plan Includes:</p> <ol style="list-style-type: none"> 1. One precision tune-up cleaning and safety inspection 2. 10% Seniors discount for all customers over the age of 65 3. 15% off all repairs 4. One No Charge diagnostic Per Year (Savings of \$149) <p><small>*Prices may vary for ductless multi head units, please ask for further details.</small></p>	<p>Plan B:</p> <p>Luxury Protection Plan</p> <p>The Luxury Protection Plan includes all the features that our Value Plan offers but with extra protection of including parts and labour should you have equipment breakdown. The Luxury Protection Plan is our most economical plan to cover most of your home comfort equipment needs for maintenance and service. For as little as \$19.99 a month, you can protect your home comfort equipment with annual furnace maintenance and or air conditioner maintenance. This plan provides the necessary furnace service and or air conditioner service you need to keep your energy bills at their lowest while giving you the peace of mind of safe operations and prolonging the life span of your home comfort equipment. The luxury Protection Plan helps budget the cost of keeping your home comfort equipment in top operation condition. It provides a \$700/ a year protection allowance for your furnace and or air conditioner or \$1,400/ a year if they are both protected.</p> <p>Luxury Protection Plan Includes:</p> <ol style="list-style-type: none"> 1. One precision tune-up, cleaning and safety inspection 2. No Charge for repairs, to a maximum of \$700 a year for furnace and/or air conditioner, OR \$1400 a year if both are protected 3. One no charge diagnostic per year 4. Monthly pre-authorized payment plan <p><small>*Does not apply to equipment 15years or older, as it needs further inspection.*</small></p>
